MLS® #2196674 RE COLORADO Listing Office: The Platinum Group

\$3,900,000

5 Bedroom, 5.00 Bathroom, 8,373 sqft

Residential on 1 Acres

Broadmoor, Colorado Springs, CO

This historic Italian Renaissance manor is blocks from the famous Broadmoor Hotel and its five-star amenities. Architectural modifications of the renowned Temple Buell designed mansion has allowed it to be lovingly remodeled to appeal to current lifestyles and décor, with an entirely new kitchen, master suite, walls removed, floors restored, all bathrooms have been updated, new furnace, etc. The new blends seamlessly with the old. A granite fireplace is the focal point of the living room which is lined with arched windows. The library, originally a solarium, features Honduran mahogany millwork throughout. Archways, arched windows, carved moldings, volume ceilings and custom wrought iron railings make this property a one-of-a-kind estate perfectly situated in the Old Broadmoor community. There are many great outdoor living spaces, and verandas off several rooms. The brick exterior is set in thick rose mortar and is double walled and trimmed in granite of local origin. Van Briggie ceramic tile accentuates the chimneys. A/C on upper level.
