Residential on 0 Acres

Sherrelwood Estates, Denver, CO

Back on the market! Welcome to this all-brick ranch-style home with no HOA. It is priced for savvy investors or for a family who envision the potential to turn it into a beautiful home for themselves with tremendous resale value. Upstairs, you will find the primary bedroom with a private bathroom. There are two more bedrooms and a full bathroom on the main level. There is a galley-style kitchen with French doors leading to the large backyard. The front yard and driveway are spacious. The backyard is your peace and party place waiting to happen! With a large yard, you can enjoy coffee on your patio or outdoor cookouts with numerous guests. The large storage shed is 8 x 12. The basement family room provides extra needed space and a bar or an option to gain even more space to make your own as you remodel. There are also two more bedrooms and a bathroom located in the basement. We recently inspected the roof, and it has a transferable warranty. In late 2023, new gutters and a water heater were installed. In 2024, Plumblin re-piped the basement bathroom, laundry room, and bar sink. The sewer line has cast iron with no cracks and is in good condition, with a report and video to review. The HVAC unit was recently professionally serviced. The home has a Radon Mitigation system. The property will be sold AS IS. However, the seller will provide a recent inspection report to interested buyers. The location is prime, and you are only 8.2 miles via I-25 to downtown Denver. The only

missing piece is you!
