Woodbridge Station, Thornton, CO

Home sweet home! You're gonna LOVE this wonderful 4 bedroom home with plenty of room for everyone! Sprinklers front and back, beautiful shade trees, perennial rose & lilac bushes, covered front porch, covered patio in back, and wait till you step inside! There's new carpet throughout, refinished hardwood floors, new interior paint, and vaulted ceilings! The kitchen features oak cabinets, new LG stainless steel appliances, main floor laundry room, generous living and dining rooms, and a great room with gas fireplace. All 4 bedrooms are upstairs, with a primary suite that features vaulted ceilings, private bath with oval tub, separate shower, and walk-in closet! There's plenty of room to expand with the full, unfinished basement, with the bathroom already "stubbed" for easy finish! All the "big ticket" items have been taken care of with newer furnace and AC, one year old water heater, newer roof (2 years), and a new shed in back! Some minor cosmetic updating can make this the home of your dreams for years to come! The only thing missing is YOU!
