Welcome to 13806 E Chenango Dr, a truly one-of-a-kind home nestled in an unbeatable location right next to Cherry Creek State Park and Reservoir. This rare gem offers not only a comfortable and well-appointed living space but also direct access to one of the most beloved outdoor recreation areas in the Denver metro area.

This 3-bedroom, 2.5-bathroom home features a spacious layout designed for both relaxation and entertaining. The main living areas are filled with natural light and provide seamless flow to the heart of the home. The kitchen is functional and open, perfect for family meals or gatherings with friends. A cozy living room and formal dining area offer flexibility and comfort. Includes a beautiful oak Murphy bed and beautiful oak shelving in basement,

Step outside and prepare to be amazed. The backyard patio offers unobstructed, sweeping views across Cherry Creek State Park all the way to the majestic Front Range. From Pikes Peak to north of Denver, the panoramic scenery is breathtakingâ€”especially during Colorado's unforgettable sunsets.

This property is an outdoor loverâ€™s dream.

With the park right at your doorstep, you can walk or bike directly into miles of scenic trails, picnic areas, wildlife viewing spots, and of course, the shimmering lake. Whether you're into hiking, boating, fishing, or simply soaking in the beauty of nature, it's all just steps away.

The attached two-car garage provides convenience and ample storage, and the quiet, established neighborhood offers a sense of peace and community while still being just minutes from shopping, dining, and major commuter routes.

Rarely does a property combine lifestyle, location, and views like this. Don't miss your chance to own this incredibly unique home with a front-row seat to everything Colorado has to offer.
