This home is all about comfort, connection, and a little bit of adventure. Whether it's kicking back on the patio with a game on, soaking in the hot tub under the stars, or just enjoying the views, there's always something special to enjoy. The soaring ceilings and 8 foot doors makes everything feel open, light, bright and airy, but you still have your own spaces when you need them. And the sounds of nature drifting through the open windows on a gentle breeze will give you instant relaxation. The kitchen is heavily upgraded with a farm style sink, tall cabinets and granite counter tops and large island make it a joy to create culinary masterpieces that will WOW your guests. Speaking of WOW!, check out the 164" screen and projector in the almost finished basement. Even the laundry room has a premium washer and dryer, (which are included), and a matching farm style sink makes doing the laundry a snap. Need more space? The walkout basement has already been framed, and the rough plumbing and electrical has already been completed for you to add your finishing touches to add more livable square feet. Beyond the house itself, the neighborhood is the kind where people look out for each other's like when everyone teams up to clear driveways in the winter. This home is in a peaceful, rural location, surrounded by parks and endless walking trails, including the scenic Cherry Creek Trail. A luxurious clubhouse, pool and extensive

walking trails will get you out of the house without having to leave your neighborhood. Even though weâ€™ve got that quiet country feel, youâ€™re just a quick 10-15 minute drive from shopping in Castle Rock, Parker, or Franktown.
