Residential on 9 Acres

### Hide A Way Ranch, Peyton, CO

Imagine the possibilities in this enchanting geodesic home on 9.27 acres! Available for the first time, this solar-powered oasis in rural Elbert County, CO could be your own private retreat. An abundance of charm is packed into this rare 4-bedroom, 2-bath geodesic dome home set on 9.27 serene acres that back directly to the Bijou Basin. Nestled in the heart of a panoramic landscape, this eco-conscious homestead offers a blend of sustainable living and rustic charm. The grid-tied solar set up supplies nearly all of the home's electrical needs. Step inside and be welcomed by the warmth of a wood-burning stove, expansive vaulted ceilings, and natural light pouring in through windows that highlight the beauty all around. Efficient baseboard heat, fresh paint throughout and a thoughtfully designed layout make this home as comfortable as it is distinctive. Outdoors, the property is fully equipped for modern homesteading: garden beds for your seasonal harvest, fruit trees, potting shed with power, storage shed, and loafing shed-plenty of room for tools, equipment, and livestock. Detached 2-car garage with EV charging station, skylight & room for a workshop is just steps from the front of the home. Whether you're an avid gardener, hobby farmer, or just looking to slow down and soak up the peace and quiet, this property offers a rare combination of functionality and freedom - just under an hour from Colorado Springs and under 90 minutes from Denver. This is not only a home, but a

chance to embrace innovative design, connect with the land & become self-reliant. Of note, fiber optic is going in along the county road. Delight in the hidden gems scattered throughout the garden - bluebird houses, blooming spring bulbs, vibrant poppies, and a garden swing that brings out the kid in all of us. An ornamental iron post fence encircles the home; 3 outbuildings. Property lines are marked with wire fencing. Schedule your private showing today.
