\$499,900

2 Bedroom, 2.00 Bathroom, 1,095 sqft
Residential on 0 Acres

CONGRESS PARK, Denver, CO

Stunning Congress Park Penthouse Condominium! Architecturally pleasing lines in the walls and ceilings add to the special feeling of this home. The wood floors throughout the main living areas, and the open floor plan of the kitchen, dining, and living areas gives this home a warmth unlike other units. The top-level balcony looks out onto Steele Street and is perfect for morning coffee or an evening glass of wine! The kitchen boasts slab granite and GE Profile appliances with the microwave, stove/oven, and dishwasher all being replaced since 2020. The second bedroom is currently used as a study but has a murphy bed for guests that will stay with the unit. Two full baths are in this home, and the primary suite has an opulent & spacious bathroom and a walk-in closet. The living room has tall ceilings with indirect lighting and a gas fireplace! Carpeting in the bedrooms was new in 2022. The water heater is also newer - 2019! The unit is accessed by a secured elevator leading to the 3rd floor courtyard. This building is so close to dining, coffee, entertainment! The garage space #62 has extra space for the car doors, and the enclosed garage has a Luxer One package delivery system for secure holding of your packages. There is a private storage space in the garage level as well. This special property has a superior location within the building as well as a superior location in Congress Park!
