Park Hill, Denver, CO

Architectural Icon in Park Hill | Bold Cubist-Inspired Mid-Century Modern Masterpiece. Discover a rare blend of art and architecture in this one-of-a-kind Park Hill residence — an early and striking example of Cubist-influenced Mid-Century Modern design. Clean lines, geometric form, and timeless style converge in a home that's both visionary and livable. Straddling an oversized, private lot framed by mature trees and lush perennial gardens, this property offers seamless indoor-outdoor living. Entertain or unwind on the elevated rooftop terrace, relax in the spa-style hot tub, or gather around the fire pit in the fully fenced backyard. A planting-ready vegetable garden adds to the lifestyle charm. Inside, two bright, spacious levels are complemented by a flexible three-room garden suite — perfect for guests, creative work, or multigenerational living. At the top, a crown's nest office/guest bedroom with private rooftop access inspires productivity with a view. Every detail has been considered: vintage architectural touches like glass handles and hardware honor the home's legacy, while fresh designer paint brings a clean, modern finish. Expanded closet space, a smart in-wall laundry chute, and Marvin wood windows throughout add both beauty and function.
