MLS® #8310007 Listing Office: RE/MAX Properties Inc

\$1,450,000

5 Bedroom, 5.00 Bathroom, 4,368 sqft
Residential on 1 Acres

Star Ranch, Colorado Springs, CO

Tucked within the private gates of Star Ranch and framed by the majestic Cheyenne Mountain, this exceptional residence commands attention as it sits on .67 meticulously landscaped acres—enhanced by a \$200K+ professional landscaping package—the home integrates seamlessly into its natural surroundings. As you step inside, a dramatic wall of windows in the main living area frames uninterrupted views of mountain and city, while motorized Graeber blinds offer both convenience and elegance. Luxury plank flooring anchor the open concept living space with a striking masonry fireplace to the gourmet kitchen and dining area. The kitchen includes professional series Jenn Air appliances, instant hot water, a water-over-range, soft-close cabinetry, and an oversized walk-in pantry. The adjoining laundry/mudroom serves as a transition space, complete with built-in cubbies, bench seating, sink, and storage cabinetry. The primary suite features radiant heated floors, a freestanding tub, and closet system. Two additional bedrooms and the office with dual closets complete the main level. Downstairs features 10-foot ceilings and expansive windows welcome natural light into the lower level, where you'll find a linear fireplace, custom wet-wine bar, and glass-walled exercise room. Two ensuite bedrooms offer privacy for guests. The lower level opens onto a second outdoor living area with curated landscaping that feels

more like a private park than a backyard. The 30-foot deep garage features epoxy-coated floors, a 220V EV outlet, water bib, and gas line. With new plumbing and lighting fixtures, this home is not only striking in appearance but thoroughly updated in performance. Lush, sculptural plantings, a bubbling rock fountain, gas fire pit, and stonework extend the architecture into the terrain. Additional features include bronze-accented vinyl windows (white interior), fire suppression, a sump pump, radon mitigation, extra hose bibs, and Ring security system.
