Residential on 3 Acres

Kings Deer, Monument, CO

One-of-a-kind custom 2-story home in Kings Deer has been extensively upgraded inside and out! This magnificent home sits on a park like 2.5-acre lot that has been beautifully landscaped with fruit trees, flowers, stone walkway, dog kennel and hosts an abundance of natural trees for privacy yet captures picturesque views of Pikes Peak. The exterior has been completely redone to include new siding, paint, stonework, roof, gutters, new irrigation system for landscaping, new driveway, new composite deck off the main level and master suite and concrete patio accessed through the fully finished walk out basement. The main level boasts a spectacular great room w/ soaring vaulted ceilings w/ wood accents, river rock double sided fireplace, newly refinished hardwood floors and an abundance of natural light from the massive windows w/ views of Pikes Peak! A cozy family room is located just off the great room which walks into the large gourmet kitchen offering newly refinished cabinets, new quartz countertops, new appliances to include a gas range, large island w/ breakfast bar, huge pantry and an eat-in dining area w/ wood burning stove. The main level also includes an office, a newly updated full bathroom and 2 large bedrooms one of which has an updated en-suite bathroom. There is an additional full bathroom. Additional main level amenities include new knotty alder, trim, doors and window encasements, new slate tile entry and a fully remodeled laundry room w/ additional

cabinetry. Upon ascending the redesigned upper-level staircase with custom railings and hand hammered post accents you will enter the loft area that is attached to the master suite. The master bath has a massive custom shower w/ multiple show heads, custom tile, new vanities, light fixtures, a custom cast iron claw foot soaking tub and walk-in closet w/ custom built ins. The fully finished walk out basement has a large rec room w/ wet bar, a 5th bedroom, new carpet. Theater room w/ staggered seating..
